

We're going on Safari

We're going on safari (x2)
We're going to find some animals (x2)
We're going to find some BIG ones (In a loud voice)
We're going to find some TINY ones (In a high-pitched, tiny voice)
We're going to find some SCARY ones! (Looking scared)
Aaaagh!

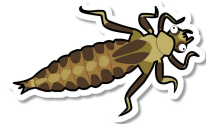

Let's go to the garden (x2) (Pretend to walk)
We're going to the pond (x2) (Look excited)
Let's go underwater (x2) Point to the 'pond')
Can you hold your breath? (x2) (Nodding your head and holding your breath as well as your nose!)

(Silence for 4 counts)
We're wading through the slimy mud (x2)
Squish, squish, slurp, slurp,
We're pushing through some weed (x2)
Swish, swish, swishity-swish,
What can we see?
(Look around the pond)

We can see a big frog (x2)
Croak-croak, croak-croak,
It's swimming to the surface (x2)
(Swim breaststroke movements for 4 counts)
It's eating up a fly, GULP! (x2)

Let's go further down (x2) (Swimming movements)
We're lifting up a stone,
GROOOOOOOAAAAAAN! (Make sounds of great effort as you 'lift a stone')
Look, there's a dragonfly nymph! (x2) (oh no! Scary!)
He's the tiger of the pond! (Look terrified!)
Aaagh! Hide!
Watch him eat a small fish (x2) (Peep out from behind a stone)
Munch-crunch, yum-yum. (Pretend to eat a large fish as though you are starving)

What's that up above us? (x2) (look up to the 'surface')
A water-boatman, YEAH! (x2) (Wave your arms in the air, as though cheering)
Let's row up to see it (x2)
Forward and back, forward and back (Rowing movements)

Rowing 'cross the surface (x2) (Rowing)
Oh no, here comes the frog!
Row faster, in case it eats us! (Row faster)
BACK TO THE EDGE OF THE POND!
Phew! We're safe! (Shake the water off yourself)
